Our Fish Story

The Champion Big Game and Little Fish Mutual Benefit and Protective Aid Society held their midsummer piscatorial proficiency programme and intelligence quiz ritual last weekend amid the natural beauties of the fragrant verdure and turbulent waters of Willow Creek.

It was discovered on arrival of the convoy, at the designated area, that by some mischance a stranger from south of town had become entangled in the fishing lines, bottles and other paraphernalia for the ceremonies. At a hastily held meeting of the Inner Council it was decided by a majority vote that since the stranger had already by some mysterious method discovered the true purpose of the expedition it would be a wise and gracious gesture to induct him into the society as an honorary member upon payment of the usual forfeit.

Upon return to Champion it was a signal honor accorded the Roving Reporter of the Chronicle to interview the First High Imperial Royal Fin and the Imperial Knighted Tail Fin. Both gentlemen appeared to be under considerable strain but claimed that the meeting had consumed considerable time and other less fleeting things in achieving their objectives. The only discordant note in the four days convention was that it rained so much that many of the members became as wet on the outside as they were on the inside.

Miss Ruth Watts, R. N., of Calgary was a guest at the home of her brother and sister-in-law, Mr. and Mrs. Fred Watts last week.

VOLUME 26

CHAMPION, ALBERTA, THURSDAY, AUGUST 27, 1942

NUMBER 83

Causey-Clever Nuptials Held On August 19

Decorated with gladioli, sweet peas and clarkia, the home of Mr. and Mrs. F. W. Clever made a pretty setting Wednesday afternoon, August 19th for the wedding of Oma Louetta, only daughter of Mr. and Mrs. Clever of Champion, and David Wilson Causey, youngest son of Mr. and Mrs. Thomas Causey of 826 Seventh St. S., Lethbridge.

Given in marriage by her father, the bride was lovely in an afternoon frock of dusky rose crepe, with accents of blue, a rosebud in her hair and wearing a corsage of talisman roses.

The bridesmaid, Miss Helen Higgins, of Lethbridge, wore an afternoon dress of dark blue sheer with white accessories, her corsage being of red roses.

Robert Welsh of Nobleford was best man, and Rev. Peter Dawson, M. L. A., officiated. The wedding music was played by Mrs. L. Dils of Los Angeles, who is a great aunt of the bride, Robert Welsh singing "I Love You Truly" during the signing of the register.

Mrs. Clever, mother of the bride, wore teal blue crepe, with corsage of yellow gladioli. Mrs. Causey, mother of the groom, wore a Queen's blue redingote ensemble and a corsage of red roses.

The marriage ceremony was performed under an arch beautifully decorated with white satin ribbon streamers, wedding bells and smilax, banked with baskets of pink and white gladioli.

Following the ceremony a reception was held, the beautifully-appointed table being centred with a three-tiered wedding cake, flanked with pink and white sweet peas and white tapers. Gladioli and clarkia were used in profusion throughout the room. Mrs. M. G. Clever and Mrs. Dave Watkins poured tea and coffee, while Mrs. W. A. McIntyre, Mrs. E. Sisson and Miss Olive Causey assisted in serving the guests.

For the honeymoon in Waterton National Park the bride chose a tailored blue wool suit, with white accessories.

On their return Mr. and Mrs. Causey will take up residence at 632 Sixth St. S.

The bride is a member of one of Champion's oldest old-time families, her grandfather, M. G. Clever, having been one of the first settlers in the district, Champion when bearing the name of Cleverville being named in his honor. The bride is also a graduate of the Champion high school. The groom has enlisted with the Canadian Navy and will begin his training in the early fall.

Out-of-town guests included Mr. and Mrs. C. A. Wright, Mrs. Helen Graves, Mrs. Al Dils and W. Holmes, all of Los Angeles; Mr. and Mrs. K. Telford, Mrs. Thomas Causey, Mrs. S. J. Matthew, Mrs. R. H. Birth, Jr., Miss Olive Causey, all of Lethbridge, and Mrs. E. Sisson of Calgary.

School Reopens George Jordan Passes Away At Age Of 64

School reopens for the new term on Tuesday, September 1st. It is expected that attendance in the high school will be light for the first month due to every able bodied student being needed in the harvest fields. Attendance at the public school however is expected to be normal.

Many resignations in last year's teaching staff necessitated the School Board selecting four new teachers, who are expected to maintain the high teaching qualities which the school has experienced in the past.

The 1942-43 staff is as follows: Principal, N. L. Naville, Edna L. McVeety and L. Edythe Lockwood will teach high school subjects. Nan Ellis, Geraldine Farmer and G. McLaw will teach public school.

Miss Canada Contest Proves Popular Affair

The contest to elect the Miss Canadas who will represent the district in War Savings Campaigns has created wide interest both in Champion and Carman-gay.

By mid-week four girls from Carman-gay and nine from Champion were on the list of contestants for the honors. Voting was fairly heavy on Monday and Tuesday with Wednesday the highest of the week. As we go to press all indications are that Friday will see some very heavy voting with some changes made in the standing of the contestants.

The contest closes Saturday at midnight and the results will be posted in the window of Horace Gill's shop immediately afterwards.

On Friday evening at the dance in the Community hall J. D. Hagerman, Chairman of the War Finance Committee will speak briefly on the purpose of the Miss Canadas in assisting the sale of War Savings Stamps. The girls will be introduced and stamps will be on sale for any persons who wish to give a boost to a

In next week's paper a full report of the voting for the contestants in Champion and Carman-gay will be given. Joe McKie of Carman-gay reports that the contest there is humming and that the last two days will see a whirlwind finish.

MORE NURSES NEEDED

War makes innumerable demands on the people of countries involved. Here, in Canada, with a relatively small population, we are faced with the serious problem of finding sufficient men and women for our armed forces, our war and industrial plants. Over and above these requirements there is one other—the shortage of nurses—that is causing considerable concern to those directly associated and it has reached such proportions that the Dominion Government has taken cognizance of the situation.

Normally, Canada numbers approximately 23,000 graduate nurses among her population, but, since the war, at least 1,500 have enrolled with the forces and for services in South Africa, while it is estimated by the Canadian Nurses Association, the official organization wrestling with this problem, that at least 30 per cent of nurses marry within two years of graduation. With industry expanding to meet war requirements more and more nurses have been enrolled in the ranks of industry.

The Canadian Nurses Association has suggested that the depleted ranks of nurses can only be filled if more and more young women of the age, and possessing the aptitude and disposition so essential for this honorable profession, enrol for training; that married nurses

Income Tax is Fair to All

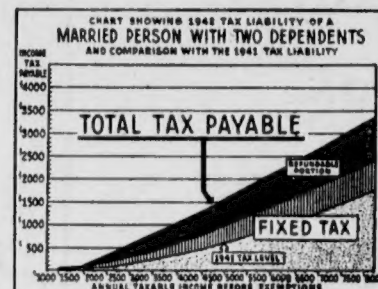

In the fourth year of war, Canada will need almost four billion dollars. This is the equivalent of nearly \$350 from every man, woman and child in the country.

Even with the highest income tax in history, 52% only of the money Canada needs will be raised by taxation. The rest will have to be borrowed by means of War Savings Stamps, Certificates and Victory Bonds.

Starting with the first pay period in September representing September earnings only, your employer is required by law to deduct your income tax from your wages or salary, and send it promptly to the Government. Everybody will pay his share as he goes along.

It's going to be tough . . . but not too tough! Here are some good features:

1. You will pay as you earn, so that you will not be faced with a large lump sum payment next year.
2. The National Defence Tax already deducted during the first 8 months of this year has been taken into account in the Table of Tax Deductions.
3. Though the income tax rates show a sharp increase over last year, a large portion of this increase is actually savings, to be paid back to you with interest after the war.
4. The money you are paying for life insurance premiums, annuities, principal repayments on your home, or into a pension fund may be deducted (up to a certain maximum) from the savings portion of your income tax. In many cases this may be sufficient to make payment of the savings portion of the tax unnecessary.

Unless you are single, without dependents, and not making payments of the types mentioned in paragraph 4 above, you should file Form TD-1 with your employer. Otherwise, you may not be allowed the credits to which you are entitled. DO NOT DELAY. File Form TD-1 with your employer at once so that you may get the full allowances from the start.

The Chronicle Tobacco Fund

This fund is for the purpose of sending cigarettes regularly to the boys of the district serving overseas in Canada's forces.

It is planned to send 300 cigarettes each month to each boy.

Money will be collected by voluntary donations made direct to the Chronicle which will be acknowledged in the paper, and through receptacles to be placed in all places of business.

Every cent of money collected will go directly for purchase of cigarettes as the Chronicle is assuming all expenses in connection with the fund.

The local I.O.D.E. chapter has kindly consented to administer the fund, that is, they will handle all monies, book-keeping and ordering.

Donations, distribution and expenditures will be published regularly in the columns of this paper.

No donation is too small to help in this work. Won't you plan to help see that our boys get enough smokes?

Bring or send a donation in NOW to

The Chronicle

Employers and Post Offices have been requested to display in a prominent place the official Table of Tax Deductions.

Forms TD-1 may be secured from your employer, Post Offices, or local Income Tax offices.

take refresher courses to fit them for return to their profession that more and more competent instructors be found; that scholarships and bursaries be set up for the training of nurses for special and instructional work.

It is an axiom that the nation's health is its most prized possession and in the preservation of health the graduate nurse fills an important role. Furthermore the training which a nurse receives adequately enriches her whole life, fits her for responsibilities which are a part and parcel of daily life and endows her with knowledge that is always useful.

Within the last few years the preparation of nurses has advanced considerably. Gone are the days when a graduate nurse worked twelve-hour stretches. Today the eight-hour day is definitely recommended and she receives a salary that enables her to live in reasonable comfort.

As Canada, in concert with other United Nations, moves towards the end of the third war-year therefore, this problem promises to be one of some magnitude and it remains to be

seen whether the young women of Canada will realize its significance and effect on the life of the nation.

If, as Canadians, we do not solve this problem now, we shall undoubtedly have cause to regret our dilatoriness within the very near future.
